

PASSING THE WORD

FROM

THE

QUARTERDECK

DRAGON

OFFICIAL PUBLICATION OF SEA SCOUT SHIP 584

WORD from the SKIPPER

May/June 2007

This time of the Sea Scout season should be dedicated to outdoor boating and advancement. A huge selection of events is scheduled and RSVP is needed. Check our website for details. With no school work, this is also the time for advancement. Crewmembers should be scheduling time with the Training Officer Mr. Leverich for sign-off. Also all who want to steer a powerboat or sailboat during this summer, must have received their CT Safe Boating Certificate.

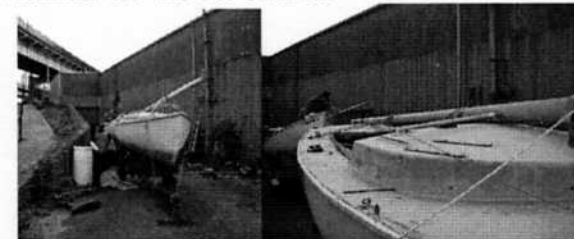

Marshall Parsons

Skipper of the Sea Scout Ship Dragon - Ship 584

Normal meetings are scheduled 2nd, 3rd and 4th Mondays and will be held 7-9pm at Kennedy Marine Shop and Docks. We will also meet on all Saturdays 8am -12noon at Kennedy Marine Shop and Docks. The intent is to learn skills in repairing and using boats. Once our boats are launched and docked, we intend to use them. Our first priority is the 23' Search No Further sailboat. There is a need for adult help in preparing the two Rhodes 19 for the season

Shore liberty consisting of duck pin or ten pin bowling was a hit. The Sea Scout Ship Dragon rented out a whole bowling alley, Family Bowl Incorporated. We were joined by Pete Roberts from Troop 36. Yes, dance music with neon lights.
